

Newcastleton Volunteer Flood Group

Committee Meeting on Tuesday 24th August 7pm in No.8 club

Present : Lee Musson (chairman), Greg Cuthbert (community council chairman), Diane Adamson, Gillian Scott, John Scott, Barry Jackson, Vikki Pounder, Jenny Wilson

Apologies: Jackie Taylor, Pauline Elliott

Chairman Lee Musson welcomed everyone for attending and started the meeting by wanting to know who our team is and what we can get from the group. Also we need to know what we do next with a plan to take forward.

Each member gave a brief explanation of what they could bring to the group and what they would like to see happen. Everyone agreed that a flood defence was needed but expert advice was crucial.

It was agreed that the group should attend the community council meetings so we could feedback any progress etc and that we could also be more informed of what was happening within the council.

Everyone was in agreement that we need to get Duncan Morrison, SBC flood team officer, to come to our meetings to help with advice, plans and how to move forward.

The next meeting shall take place when we get Duncan Morrison to attend.

Next community council meeting will be on Tuesday 14th September at 7pm in Legends whereby all members of the public are welcome.

Minutes taken by Jenny Wilson
