

Newcastleton & District Community Council

Equalities Statement

Newcastleton & District Community Council is committed to implementing and promoting equal opportunity for all in all its activities.

Our community council does not discriminate against anyone on the grounds of age, disability, gender, gender reassignment, marital status, race, poverty, religion health, pregnancy & maternity or sexual orientation either by way of membership, volunteering, or participation.

We realise that discrimination exists in society (whether protected by law or not) and endeavours to prevent unfavourable treatment where unlawful or unfair discrimination occurs.
