Circulated for the Improvement Service

Hi

Can you please share the following information about a new webinar with SCDC with your Community Councils. CCLOs are, of course, also welcome to attend!

The Improvement Service, Scottish Rural Network and the [Scottish Community Development Centre](#) are hosting a free online webinar for community councillors on the National Standards for Community Engagement on Wednesday 24th May from 6pm to 7pm.

In this webinar, the Scottish Community Development Centre (SCDC) will share the National Standards for Community Engagement, how they are used throughout the VOICE tool and how these can help groups who are working with communities, groups and individuals.

The event will take place on Teams and you can sign up here:
