Dear stakeholder,

We're delighted to share with you the Spring edition of the Scottish Water digital newsletter.

We hope you enjoy this bumper selection of significant investment and innovation highlights from our work over recent months. This spotlights the work we are doing to ensure we continue to provide our customers with resilient, excellent quality water and waste water services, while improving our assets, tackling the impacts of climate change, and reaching our Net Zero by 2040 target.

To access this newsletter, simply click 'Go to this Sway' below. You can click any of the **underlined** elements to take you to additional information if you are interested in finding out more.

We have covered sections on:

- Investing in our Infrastructure
- Flourishing Scotland
- Environment, Climate, and Beyond Net Zero
- And Finally....a selection of interesting stories.

You can skip to sections of interest using the small square on the bottom right-hand corner of your screen and select the section you wish to view.
