## **Community Policing News – Hawick & Hermitage – PS Ali Granger**

There were 8 calls to Newcastleton in May, not including calls regarding an ongoing incident PC Patterson is dealing with. The calls included theft HB (details below), noise, concern for persons, road traffic collision and lost property.

In May School Link Officers - PC's Tait-Logan, Harper, Cameron and Trochimiak attended the Border Union Schools Countryside Day at Springwood Park in Kelso. They were joined by CAT officer PC Francois and Sgt Granger.

With P5's attending from across the Scottish Borders, this provided a great opportunity for the Community Policing Team to engage with children from all schools.

During May PC Ula Trochimiak, accompanied by PC Stewart and PC Mortimer, held an Emergency Services Day for all the P7 pupils in the Hawick Cluster.

The children took part in different tasks, which helped them learn how to keep themselves safe in a variety of different situations - all who took part had a great day.

We had help from our colleagues at Scottish Fire and Rescue Service, Scottish Ambulance Service, RNLI (Dundee), Borders Water Rescue Team, Tweed Valley Mountain Rescue Team (including rescue dogs!) and the British Army Youth Engagement Team.

A huge thank you to Burnfoot Community School and staff for hosting and taking part, including our valued colleagues at Community Learning and Development.

Obviously May saw the bulk of the ride outs for Hawick Common Riding in the lead up to the ceremonial events. Local officers were heavily involved in both extensive planning for these events and policing them on the day. Hawick Common riding marshals and community officers worked closely together to ensure that these events went safely with as little disruption as possible. Hawick Common Riding Marshals did an excellent job, without their time and dedication these events could not go ahead.

### Motorcycle Safety

Our annual motorcycle safety campaign urges drivers to look out for motorcyclists as riders take to the road this summer. In 2023/24, there were 151 road deaths and 27 were motorcyclists. Motorcyclists make up around one per cent of all road users yet account for 14 per cent of deaths. Engagement and enforcement activity will take place throughout the spring and summer months using both marked and unmarked police vehicles. Police Scotland officers, including those from the national motorcycle unit, will be carrying out intelligence led patrols to engage with all drivers and riders.

### Special Constables – Recruiting

With a long and impressive history, the Special Constabulary is a part-time, volunteer body consisting of voluntary officers with identical powers to that of police officers. As a special constable, you'll work alongside our police officers in your spare time – forging strong partnerships in the community, patrolling our streets, preventing crime, and interacting with all kinds of people to give back, keep your local community safe and make a real difference.

You can work full time and be a Special Constable in just 96 hours per year or a few hours a week. The role is diverse, demanding, and rewarding. You could be doing anything from policing a football match to assisting at a road accident. Special constables also police major sporting and public events and provide an excellent bridge between the Police Service and the public, representing both the community within the police service and the police service within local communities.

Special Constables can act as a positive force for change - bringing with them an extensive pool of skills, talents, experience, local knowledge, and diverse backgrounds - as well as enhancing the overall level of service provided by the police. So, whatever your walk of life, step forward now and find out how being a police volunteer could be the perfect fit to suit your lifestyle.
