What's On

Drop In Groups

Walk It & Walk It Further Walk It aims to improve health in the Scottish Borders by encouraging people to walk. Its free, short, low-level walks could be just what you're looking for! All ages and abilities are welcome. Both groups meet at Buccleuch House and return there for a chat and cuppa after the walk.

Community Drop In is a time to pop in for a chat, get some advice or practical help with tech gadgets or form filling. If we can't help you, we will do our best to signpost you.

In Stitches & Art is a time to share tips and learn from each other whilst completing a project from home or starting one here. Bring your project to complete in the company of others.

Little Explorers is a space for parents/carers and their children aged 0-5 to meet for explorative play, chat, and a cuppa. Snack provided for little ones.

Singing for Wellbeing come along with an open mind and a love of feel-good music.

Our drop-in groups are free to attend but donations are welcome. Our suggested donation is £1 per session. Thank you.

Innov8 Youth at No.8 is a drop in for young people
P7 – S6 Meets at the No.8 Club.
Come play games, get creative or just chill and chat.
